

NYC Landmarks Preservation Commission Compliance

Historic District Projects, New York, NY.

Secured permits from New York City Landmarks Preservation Commission for projects located in the historic districts of Manhattan:

- Window replacement in approximately 50 individual residences.
- Window Replacement Master Plan for existing 22 story building, 860 Fifth Avenue.
- Window Replacement Master Plan for existing 20 story building, 785 Park Avenue.
- Window Replacement Master Plan for existing 20 story building, 1050 Fifth Avenue

Additional Projects:

137 Franklin Street, Manhattan, NY

Set on one of Tribeca's very best blocks, this 2,450-square-foot triplex loft is a stunning, custom-built maisonette home that blends classic New York City architectural style with a stylish modern design scheme, soaring ceilings, and a striking private garden.

271 West 10th Street, Manhattan, NY

This historic 27' wide carriage house sits just west of Greenwich Street in the Far West Village.

11 West 12th Street, Manhattan, NY
