

SUCF, COLLEGE & UNIVERSITY PROJECTS

Foit-Albert Associates has a wide range of experience with university campuses over the last 30 years. Our awareness of formative issues within our clients' fields informs our design solutions, supporting future needs as well as future growth and flexibility. Our project experience includes architectural, engineering and survey services for academic and administrative buildings, apartment style and dormitory housing, fitness facilities and sports complexes. Current/Recent campus work includes:

- SUNY Oswego Road and Site Improvements
- Niagara Community College Learning Center
- SUNY Buffalo Fire Alarm Upgrades
- SUNY Buffalo Allen Hall ADA
- SUNY Oswego Road Improvements
- SUNY Geneseo Exterior Building Modifications
- Mercy College Pedestrian Walkway
- SUNY Buffalo Jacobs School of Medicine & Biomedical Sciences
- SUNY Geneseo Sturges Quad
- SUNY Buffalo State Caudell Hall Inspection
- SUNY Potsdam Knowles Conference Center
- SUNY Geneseo Union Hall Roof
- SUNY Fredonia Stair Tower Renovations
- Siena College Stormwater Management Plan
